Date	December 17th 2018
Agenda Item	13

Events leaflet update

The new events leaflet is now ready for printing. Many more organisations have contacted HTC this year, and want to be in the leaflet. This makes it a 16-page leaflet, rather than the 12-page used last year. This is slightly more expensive.

To produce design and artwork £150.00

To print on 135gsm material, folded, multi scored, full colour - 3000 £634

Following the meeting with Stephen Wenlock and Leanda Cable on Town regeneration and tourism, BDC have offered a contribution of £500 towards the production of the leaflet.

The total cost of printing the leaflet is therefore now £284.

Recommendation: that HTC goes ahead with the printing at the above cost of £284.

Sarah Greatorex Town Clerk
