

Committee	COUNCIL MEETING
Date	December 17th 2018
Agenda Item	14

**Halstead summer fair
(Mayor's summer event)**

The current Mayor Cllr Andy Munday would like to put on an event to raise money for charity in the summer in the Public Gardens. The date he has chosen is 3 August 2019, and the Public Gardens are free on this date. The event would go ahead even if he were not re-elected or elected as Mayor after the elections. The money raised would then go to the Mayor's chosen charity. Cllr Munday is taking full responsibility for running the fair, as it is not possible for the staff at the council to take on anything further.

Recommendation: that this report is noted and added to the 2019 events leaflet.
