

Committee	COUNCIL MEETING
Date	14th January 2019
Agenda Item	12

Oak Road allotments

Under the agreement between BDC, ECC, the Landowners and Gladman developments, a section of land on the Oak Road development is set aside for allotments. The intention is for BDC to offer the allotments to HTC for the sum of £1. This has to be done once 60% of the houses have been built. The development will be inside the new boundary for Halstead. The size of the land would be big enough for about 6 allotments. Halstead Town Council staff have been consulted and feel that they will be able to manage the few extra allotments, and that they should be managed within Halstead.

Recommendation: that HTC agrees to take on the Oak Road allotments when the land becomes available.

Sarah Greateox
Town Clerk
